Message from the Chairperson

MCKS Charity Ireland works towards advancing Community Welfare and alleviating suffering. We are proud to be involved in a Charity that gives to Volunteer based organisations on the ground to help them sustain the service they provide for their local communities.

In 2025 MCKS Charity Ireland has allocated up to €90,000 to small charities across the Country. This achievement is solely down to the generous contributions from yourselves at events, courses and at your local meditation groups. We are very grateful for your support.

Liam Lynam resigned from the Board of MCKS Charity Ireland earlier this year and we would like to express our appreciation for his time on the Board, especially in the latter years where his diligence and expertise was an example to us all. All the best in the future.

Joan Lambe and Theresa Kavanagh joined our Board in 2025; we welcome their contribution and skill set towards maintaining Master Choa Kok Sui's goal in creating healthy and resilient communities.

Our Annual Plan for 2026 will introduce changes to the look of our brand but our Mission & Vision will remain the same. We are fully compliant with the Charity Body Regulator and will remain transparent, accountable and keep our beneficiaries respectfully in the front of our minds by keeping up high standards of practice.

A huge thank you to Elaine Tobin, Agnes Devlin, Katherine Neill, Joan Lambe & Theresa Kavanagh for your support and work throughout 2025

It's a privilege to be trusted to do Master Choa's work and equally for all of you who donate to MCKS Charity Ireland, without your donations this work would not be possible. Thank you from the Board of MCKS Charity Ireland and thank you from all those Charities that benefitted from your consistent support in 2025.

Meditation on Twin Hearts

Meditation on Twin Hearts is a simple, yet powerful technique introduced by Master Choa Kok Sui for achieving cosmic consciousness or what we often call “illumination.” It is also a form of service to the world by increasing harmony and peace through becoming a channel to bless the earth with loving-kindness.
